David Peterson

Watercolors

David Peterson moved to Carmichael with his parents in 1956. He attended High School at El Camino and La Sierra. He took art classes from both Kaneko brothers. In 1962 he had the first one-man art show in the new library at American River Jr. College. But life interrupted with travel, military service and raising a family. After several attempts David resumed making art 20 years ago with a plunge into watercolor painting.

Now, David Peterson, NCA MP, has paintings in private collections across the country. Since 2002, the artist has been accepted into dozens of state-wide juried shows and has won over 100 awards. David has been accepted into California State Fair Fine Arts Exhibit 8 out of the last 9 years. David was honored to have been a Yosemite Art Center visiting artist 2012-17.

He is a past President of WASH, Inc., Sacramento's watercolor club and has been awarded NCA Master Painter Signature status. David was a staff member at Sacramento Fine Arts Center through 2018. He is presently a volunteer at the Arts Center. David's work can be seen at Sacramento Fine Arts Center in Carmichael, Rancho Cordova City Hall, and various regional art shows and venues. The artist has a one person show during the month of February at Elk Grove Fine Arts Center.

David portrays the familiar scenes of our neighborhood in a humorous and enigmatic way. He shows you California landmarks, including urban scenes, the American River, and our neighborhood differently, simply and in a unique manner.
